Note to go home

This survey is optional. This is to help the children learn about different foods from different cultures as they celebrate Thanksgiving. As a class, we will taste the different Thanksgiving foods. If you wish to participate please provide the name of the dish and a list of ingredients used for your dish for allergy reasons.

Do you celebrate Thanksgiving?

What foods do you serve at Thanksgiving?

When do you eat the meal? For lunch or dinner?

Which food would you be willing to share with the class?

Thank you for your help,
